

# Montagne Noire Rouge

## *AOP Faugères*

Single vineyard exclusively of detrital shale and marble masons, and the surface structure of these dark soils of hillsides has given its name to the plot "black mountain".

Deep garnet robe, very complex nose of garrigue, black olives, blackberry and cassis. Aromas of licorice with some delicate notes of Kirsch. It has a generous and concentrated mouth with structured tannins.

Potential ageing of 3 to 7 years for this vintage of great distinction.

Serve with tajines, red meats and game with candied onions, figs, apricots.
