

VIÑA  
**Las Niñas**  
APALTA / CHILE

**MITICA**  
**2015 Organic**

**ESTATE BOTTLED**

Alcohol content: 14.5% v/v

**SOIL TYPES**

Franc soil, with different content of alluvial rocks, clay and sand depending on the lot.

**GRAPE VARIETY**

80% Syrah - 10% Mourvèdre – 5% Cabernet sauvignon – 5% Merlot

**VINIFICATION**

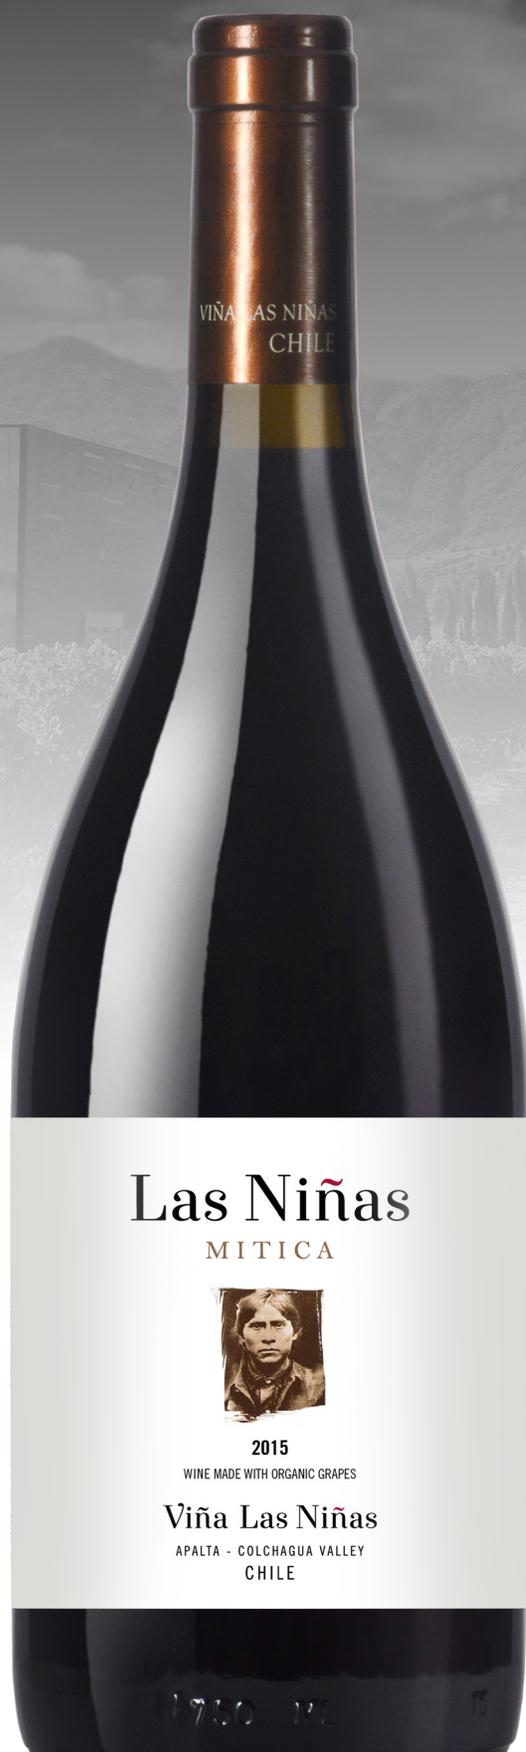

Grapes reach full ripeness in different moments, therefore harvest is done when each one is just there to make the best possible wine. Vinification and first stages of ageing is done separately until blend is decided. In that moment wine goes back to 500 litres french oak barrels for natural integration of its components, with no hurries, just let the magic happen.

**TASTING NOTES**

Intense but elegant, rich but fresh, and wild all the time. This wine more than talking about a variety looks forward to show its origin, show how each grape develop in Apalta and make a perfect combination. Fruity, floral, a little touch of spices on the back, plus a tasty and long palate.

**FOOD ALLIANCES**

From lamb dishes to Chilean empanadas, from truffles to cured cheese: versatility is the concept!!!
