**-CHABLIS VIEILLES VIGNES “
CUVEE 1920”-**

This cuvee was born during the harvest 1920 in order to celebrate the plantation of the vineyard planted by our Great Great Grand Father, Gustave Durup.

This wine comes from a very old vineyard.

It has always been ploughed by horse and harvested by hand.

Each bottle got a number and the maximal production is 2 500 bottles.

It had been aged in oak barrel of one to two years old.

This wine is rich, fat and generous.

It is as well a tribute to all the women of the family that no one has ever mentioned who have made the same work in the vineyards as their husband.

It is precisely a tribute to our Great Grand Mother Emelie Durup, our Grand Mother Suzanne Durup, and our great Aunt Blanche Jossot.

The aromas, in the vintage 2020, are exotic fruits with a note of minerality typical of Chablis.
