CHABLIS GRAND CRU « VAUDÉSIRS »

The Chablis Grand Cru « Vaudésirs » is one of the most renowned of the Chablis Grands Crus.

It is located in a big circus from the ice age. It is one of the most beautiful places of the Appellation in the city of Chablis on the right side of the river « Le Serein ».

It is likely that this name, which means in Old French «Valley of the Desires» is inspired by the high quality of the wines which are produced there.

They are very round, fine; well balanced while keeping a mineral character typical of the great Chablis wines.

They go perfectly with all kinds of fish.
