### -CHABLIS LA MARCHÉ DU ROI-

"La Marche du Roi" is located between Premier Cru "Montée de Tonnerre" and Premier Cru "Mont de Milieu".

Back in the times, this hill marked the border between the Kingdom of France and the Duchy of Burgundy, from which the name "La Marche du Roi" has been given.

Vineyards are from the Vallée de Vauvillien which is the birthplace of the

Chablis vineyard, as the oldest known chronicle about it mentions this splendid hill, saying that it produces an excellent wine, that means that its reputation has been made long time ago.

This very steep slope has the advantage of having a South-eastern exposure, enjoying a very good luminosity from dusk till dawn.

That gives the wine a very high concentration in fruit aromas.

However, thanks to this very beautiful slope and the poor soil, the wines are very mineral. They are also well balanced, fine, typical of Chablis with citrus fruit flavours.

The vinification is carried out with the respect of the traditions of the Chablis terroir, in tanks, to keep its original flavours.

This wine pairs wonderfully with grilled fish and shellfish.

Thanks to the good weather conditions during the summer, Chablis Marche du Roi 2022 is well balanced and offers generous fruit flavours.
